

This week in our French classes we will be exploring a popular and well-known type of storytelling: comics. One of the most famous is called Tintin, or *Tintin*. Maybe some of you saw the Tintin movie from a few years ago. Our question of the day is who wrote *Tintin*, and where was he from? Submit your answers in the box in the library by the end of 5th period! And now back to Suffield for our morning updates.

Congratulations to Alyssa Bergamini, Mike McFarlane and McKenzie Sullivan for making the All New England Soccer team for 2017!

At the first couple Basketball games of the season, we will be selling student season passes for 20 dollars. The first 25 students to buy a season pass will receive a free t-shirt. This is a great deal for students wanting to go to our Basketball games this winter. The season pass is good for all girls/boys home Basketball games.

There will be a new cooking club session held after school in the foods room on Thursday, December 14th from 2:15-3:30. The recipe for this month is Gnocchi in a brown butter sage sauce, with double chocolate biscotti representing Italy. If you are interested in cooking and culture, please find Ms. Cossman or Millie Kochman and sign up quickly with the \$4 fee because there is a maximum of 12 people for each session!

Just a reminder that starting today the wrestling/ice hockey and boys swim shuttle will leave at 2:20 each day.
