Camp Information

Suffield Instrumental Music Directors, Amy Wilson and Corey Killian, are pleased to invite your child to participate in a summer band camp, giving campers the opportunity to further their music education in a fun, new way! This is a chance for students who are entering grades 5-12 to continue and enhance their musical abilities. A concert at the end of the two-week camp session will highlight their learning.

Camp will be structured in a way that emphasizes musical learning and appreciation yet also incorporates a snack period (campers provide their own snacks) and recreation period (comfortable, casual attire recommended). Campers will attend a daily small-group lesson run by a professional musician who specializes on their instrument, a small ensemble based on instrument (ie flute choir, brass ensemble, percussion ensemble, etc.), and a full band based on ability level/length of time the student has been playing their instrument (ie beginning band, intermediate band, advanced band).

Due to the nature of how a music camp is structured, and the concert at the end of the second week, it is highly recommended that students attend all ten camp days. Please reach out to Mrs. Wilson or Mr. Killian if your child would like to attend the camp but has a conflict with a date or time within the camp session.

Other than percussionists, students will need to provide their own instruments, band books (Standard of Excellence), and accessories (such as reeds for clarinet, sax and oboe players and valve oil for brass instruments). If your child will be starting an instrument for the first time at this camp, please contact Music and Arts or Gerry's Music to obtain an educator-approved instrument rental. Drummers will need to provide their own drum sticks, drum pads, and band books. All students will need a pencil for rehearsals.

Please complete the attached registration form and have your child return it to their band or music teacher, accompanied with \$200 cash or check made out to Suffield Public Schools (Summer Band Camp in the memo line) by May 15th, 2017.

Questions can be directed to either camp director using the contact information on the left column.

We look forward to working with your child this summer!
