

## 2022 Career Development Events (CDE's)

Suffield Regional FFA offers a wide variety of Career Development Events (CDE's). Our program offers CDE's year-round! All these CDE's allow you to advance to district, state, and national levels of competition for which you can receive significant recognition and accomplishments! Not only this but these events allow you to advance in your area of interests and get experience for a specific career path. Upon completion of a CDE event you will receive a participation certificate and a pin for your jacket! You could receive more if you win any competitions!

**ALL Wednesdays are available for Teams to practice from 2:10 - 4 pm**
