0. Missions and Functions

The mission of the Suffield Public Schools is to prepare all students with the knowledge, skills and attributes required for success in a rapidly changing world. In pursuit of this mission, we believe that:

- When we address students’ diverse academic, social, emotional and physical needs, all will learn;
- All students need equitable access to appropriate resources and opportunities to excel;
- Multiple measures of student learning are required to drive continuous improvement;
- Students and adults thrive in a safe and secure learning environment characterized by responsibility, fairness, respect, and civility;
- Highly effective teachers and instructional leaders who engage students in rigorous and challenging experiences are the keys to student success;
- An excellent district staff supports success in every classroom, facility and setting; and
- Partnerships, collaboration and communication with families and the community are vital to our mission.

School mission statements must align with our district mission statement.
