(i) Free or Reduced Priced Lunches

Participation in the National School Lunch Program is herewith authorized. Authorization is granted to the Superintendent to act on behalf of the Board for purposes of participating in the National School Lunch Program.

National School lunch Program regulations require that lunches be provided for needy students. Informational letters and application forms will be distributed to all parents as soon as possible after the opening of school each year providing information on eligibility standards, procedures for applying for free meals or reduced price meals, and how appeals may be filed for reviews of decisions on their application. This information and application forms also will be provided when new students are enrolled.
