B. Progress/Records

(4) Summer School Work for Credit Recovery

1. Advance permission of the guidance counselor and principal must be obtained.
2. In order to get credit for the course, the student must attain a passing mark of 60% or better.
3. At the senior high level:

Summer school work for credit recovery will only be available if the original grade was between 50% and 59%.

4. The grade and credit earned in summer school will be recorded on the student's transcript and calculated, along with the original failing grade, in the student's cumulative grade average.
